### Bio

I am entering my 17th year of service as the Executive Assistant for the Learning Network Educational Services. My responsibilities include day to day office administration finance, website, registration and all customer service communication and inquiries. Previous to this position I worked as an Educational Assistant at Vera M Welsh Elementary school in Lac La Biche. I reside on a mixed operation farm with my husband that is approximately 20 km south of Lac La Biche. I am a proud mom to my 22 year old son who is a Journeyman Heavy Equipment Technician and my 19 year old daughter who is currently in school training to become a Registered Nurse. I look forward to continuing my work with the 6 provincial Consortia, jurisdictions, and the Learning Network team.
