Tânsi, Glenda Bristow nitisîyihkâson, Nehiyaw iskwew niya , Ayîkis Sâkahian ohci. Hello, my name is Glenda Bristow. I am Cree from Frog Lake First Nations. I presently work as the Director of Technology/Programs for St. Paul Education Regional Division No. 1. and have been a part of this education family for several years. Within my role, I manage and supervise Division Technology, First Nations, Métis and Inuit Education, Division Career Counselling along with various other duties. Prior to working at central office, I spend several years teaching at the primary level at both the provincial and federal level and worked as a Director of Education for Frog Lake First Nations. Being a Cree Woman and working in education has many positives and challenges but at the end of the day, it's knowing that we made a difference in the lives of many students which is makes working in the field so rewarding.
