Program

The Strong Interest Inventory Certification Program will qualify participants to purchase, administer and interpret the Strong Interest Inventory Instrument, and provides experienced users with the new interpretation strategies and updated research. Psychometrics Canada Ltd. will administer the Strong Assessment and generate the Strong Profile and Interpretive report for each attendee. The assessment will be administered to attendees online, starting 3 weeks (or sooner) before the scheduled delivery of this session.

This learning opportunity is being offered through curriculum implementation funding from Alberta Education.
