Dan Nash

Dan is currently a Professional Learning Program Coordinator for the Learning Network Educational Services who is leading the Implementation work associated with the 'new' Alberta Curriculum. He also brings with him, over 40 years of classroom, school and district administration, and curriculum implementation leadership. Dan fully subscribes to being a lifelong learner and his mantra is, "That it is *generally easier to get people to act their way into a new way of thinking... than it is to get them to think their way into a new way of acting.*" So, let's roll up our sleeves and get to it!
