### Program

This session series/cohort will use Catlin's book – Balance with Blended Learning – Partner With Your Students to Reimagine Learning and Reclaim Your Life as its foundational resource.

As school-based leaders, teacher leaders and teachers, we have never been more cognizant of the 'value of time' and the demand of the same in our professional and personal lives. This series with Catlin will allow participants to ensure that they have a foundational understanding of 'Blended Learning' and how the application, and implementation, of this approach to teaching and learning can provide them with with the structure and pedagogy to 'reclaim' their lives, renew their energy and rekindle their passion for classroom teaching and learning.

This learning opportunity is being offered through a grant from Alberta Education.
