### Presenters

**Sandi Berg**

**Sandi Berg** has taught every grade and almost every subject from K-12. As a Curriculum Implementation Support Consultant at Central Alberta Regional Consortium, she is constantly increasing her repertoire of student-centred activities that make connections with the world, develop Competencies and Mathematical Processes and focus on infusing Literacy and Numeracy within all curricular areas. Her favorite sessions are those that focus on practical, hands-on activities that can be used in the classroom tomorrow.
