### Program

In this one-day course, students will learn to recognize and provide interventions for life-threatening emergencies until medical aid arrives. Topics include: CPR and choking for adults, shock and unconsciousness, severe bleeding, head & spinal injuries, major medical conditions, and AED training and certification.

This learning opportunity is being offered through a grant from Alberta Education.

### Presenters

**Don Doherty**

**Don Doherty** is the Occupational Health & Safety Coordinator for Buffalo Trail Public Schools and East Central Alberta Catholic Separate Schools.

### Registration Notes

**Please Note: Registration fee does not include lunch participants are responsible to bring their own bagged lunch.**

Once you have registered for a professional learning session, our system automatically generates and sends a **'Confirmation of registration email'**. This 'automatic response' will be sent to the email address you enter at the time of registration'. If the workshop you registered for is **Online**, you will find a link to connect you to the workshop in your confirmation email. If you do **NOT** receive a confirmation email within 24 hours of registering, please check your **Spam/Junk/Trash file**. If you do not receive a confirmation email, please contact [celine.zevola@learning-network.org](mailto:celine.zevola@learning-network.org)
