## Program

Ready to take the leap and do some learning and planning with the new outcomes? Join us to talk about planning, assessment, and quality instruction in physical education and wellness spaces. Sample processes and structures will be shared for teachers to make use of in their own contexts.

## Presenters

### Charlie Kraig

Charlie is an educational consultant for Learning Network Educational Services. Experience as a classroom teacher (Gr 112), school-based coordinator (LA/SS and Inclusive Education), and vice principal (K-8 school), helps her craft unique professional learning opportunities for educators. Important in the work we do as designers of professional learning is using the same teaching strategies and tools that teachers can use in their classrooms while honoring them as competent adult learners. Charlie is a Learning Transfer Endorsed Educator

as well as the Regional Network Chair of @WomenEdAlberta (part of the global #WomenEd network supporting and encouraging women in formal and informal leadership positions). She is passionate about instructional leadership and improving teacher practice for all learners' benefit.
